FREE & EASY

FREE & EASY

FREE & EASY

It's free and easy!

DO:

Dispose of unwanted medicines in a conveniently located take-back bin or at a scheduled take-back event.

DON'T:

Flush medicines down the toilet or pour down the drain, unless the label or accompanying patient information specifically instructs you to do so.

TAKE-BACK BINS:

Find a medicine take-back bin near you by visiting www.takebackdrugs.org and searching the map.

ABOUT THE PROGRAM:

This program was designed and administered by California Product Stewardship Council (CPSC). CPSC greatly appreciates your commitment to safe medicine disposal and invites you to visit the program website for more information: www.takebackdrugs.org.
